Norwich United Church

THE LOGO

The new Norwich United Church Logo features deep symbolism and reflects the NUC's mission statement of serving others through fellowship. The deep blue of the logo represents a sense of trust, faith, and reflection while the golden yellow of the rising sun represents illumination and

compassion. The rolling fields demonstrate deep roots within the farming community as well as evoking imagery of the bible. The cross shows faith in Christ, and the rising sun represents new beginnings and is reflective of the serene views that are the beautiful sunrises over Norwich Township.
